The SAP Terminology Database is a set of web pages and functions provided by SAP that gives users access to thousands of SAP terminology entries (the "SAP Terminology Database" or the "Database"). The SAP Terms of Use found [here](#), as further described and defined below, along with the terms of use that are specific to the SAP Terminology Database, below, govern your use of the SAP Terminology Database (the combination of the SAP Terms of Use and the additional information and terms below are referred to as the "SAP Terminology Database Terms of Use"). Unless otherwise indicated, all capitalized words used below shall have the same meanings given to such words in the SAP Terms of Use.

If You do not agree to these terms, do not attempt to access or use the SAP Terminology Database, any SAP Materials, or the User Content associated with the SAP Terminology Database.
